FREE TRAINING

HEALTHY HOMES FOR COMMUNITY HEALTH WORKERS

Health educators and advocates, promotoras, and house visiting public health nurses who work in San Bernardino and Riverside will learn the following healthy homes information to share with members of their communities:

- Identify health hazards in the home
- Provide health education to the community
- Give easy to follow advice on how to solve home health problems
- Suggest simple and effective healthy home approaches to families, landlords, and community members

Date: October 13, 2011

Time: 8:45 am – 4:00 pm

Place: Preschool Services Department

662 S. Tippecanoe Ave.
